

Installeren van de driver voor de bmi dongle's. Windows 7 , 8 en 8.1

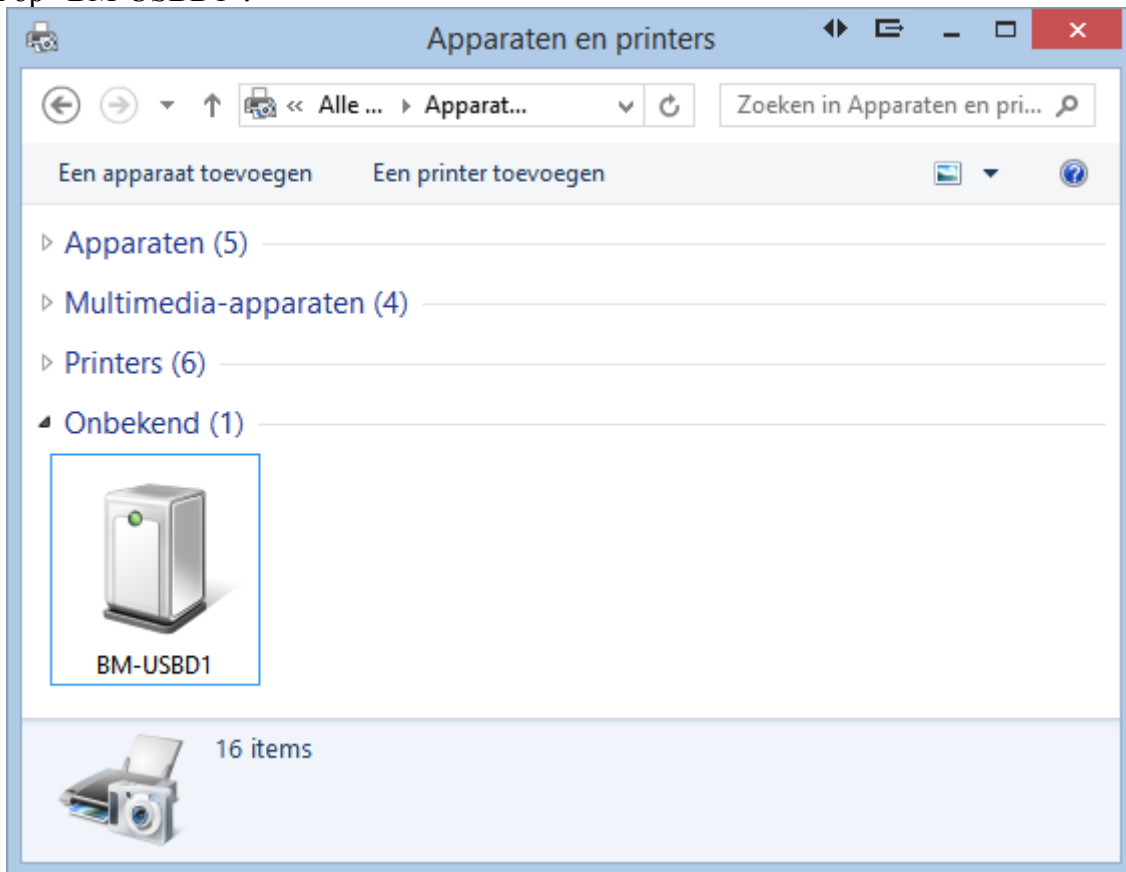

Ga met “windows toets + i” Naar Configuratiescherm. Klik op “Configuratiescherm”

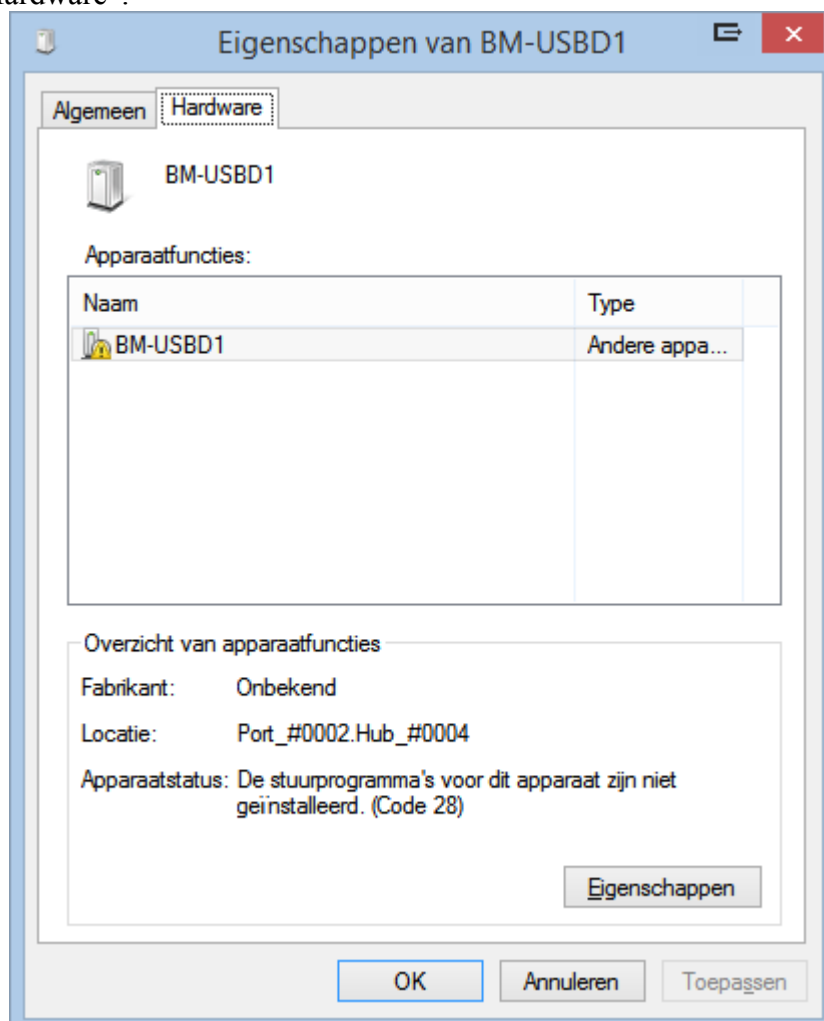

Klik nu op “Apparaten en printers”.

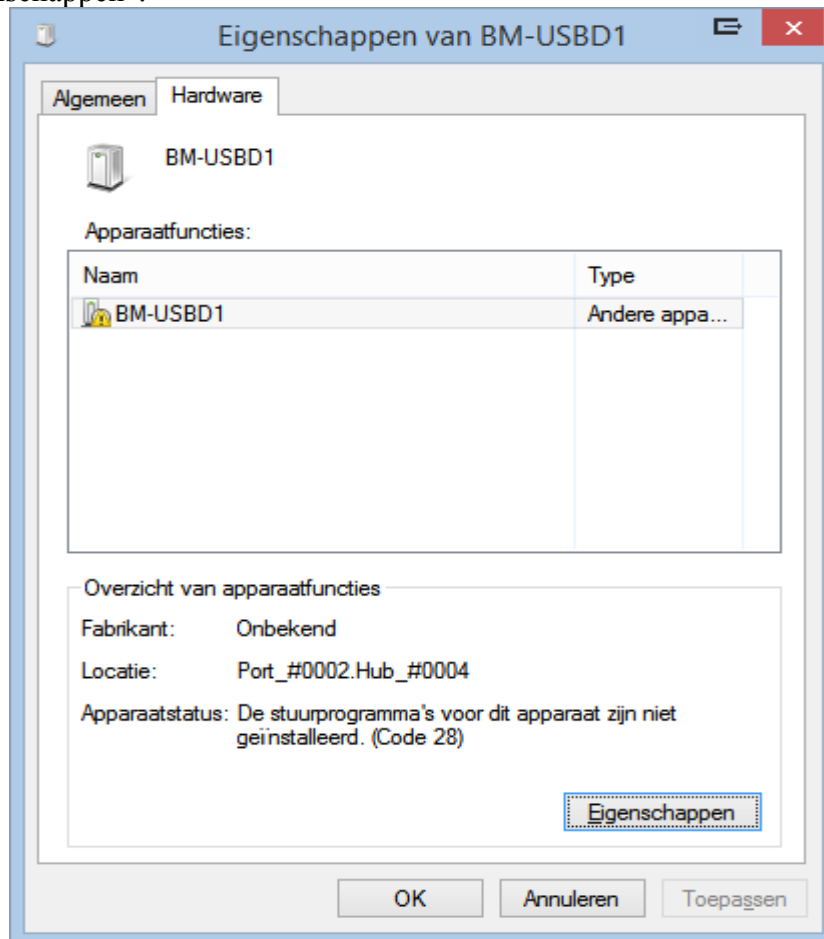

Dubbel klik op “BM-USBD1”.

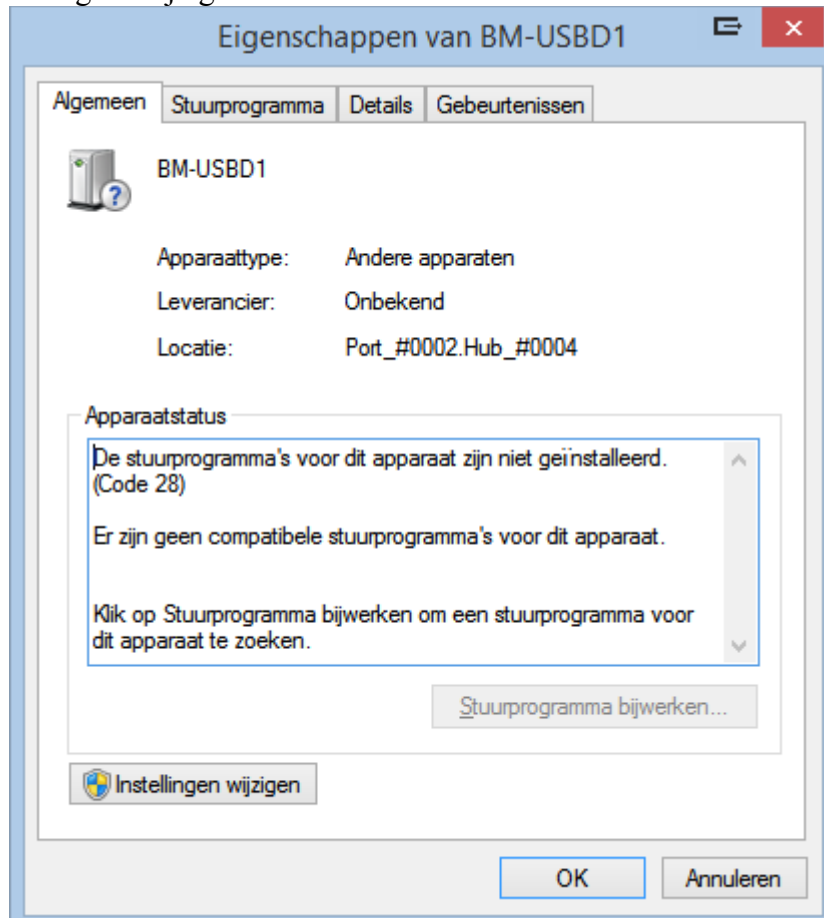

Klik Op het tabblad “Hardware”.

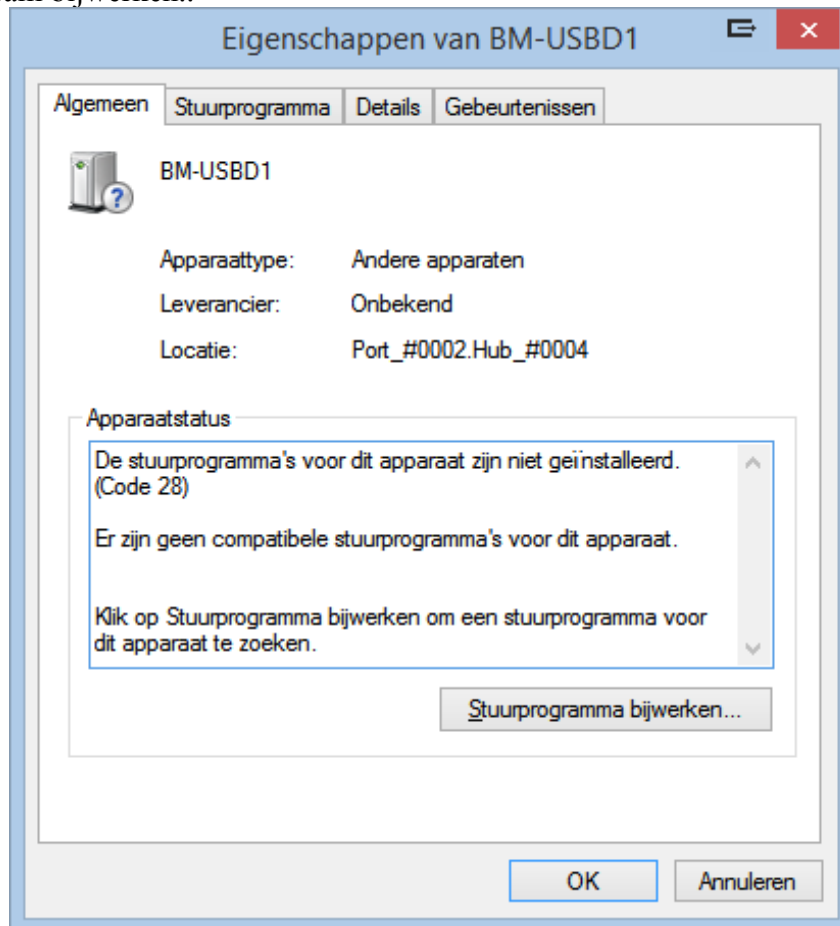

Klik onderin op “Eigenschappen”.

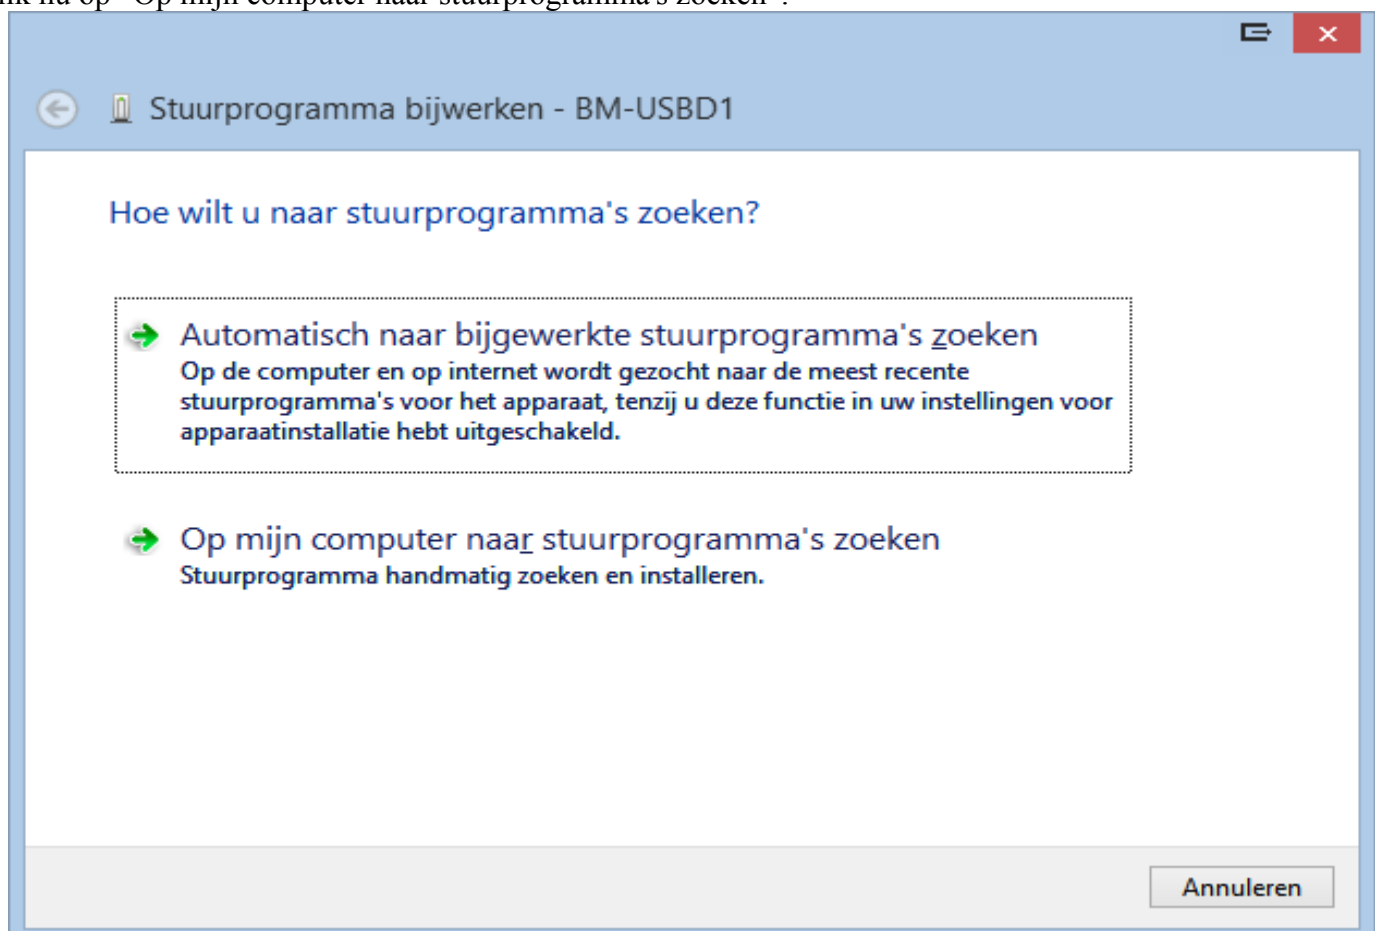

Klik op onderin op “Instellingen Wijzigen”.

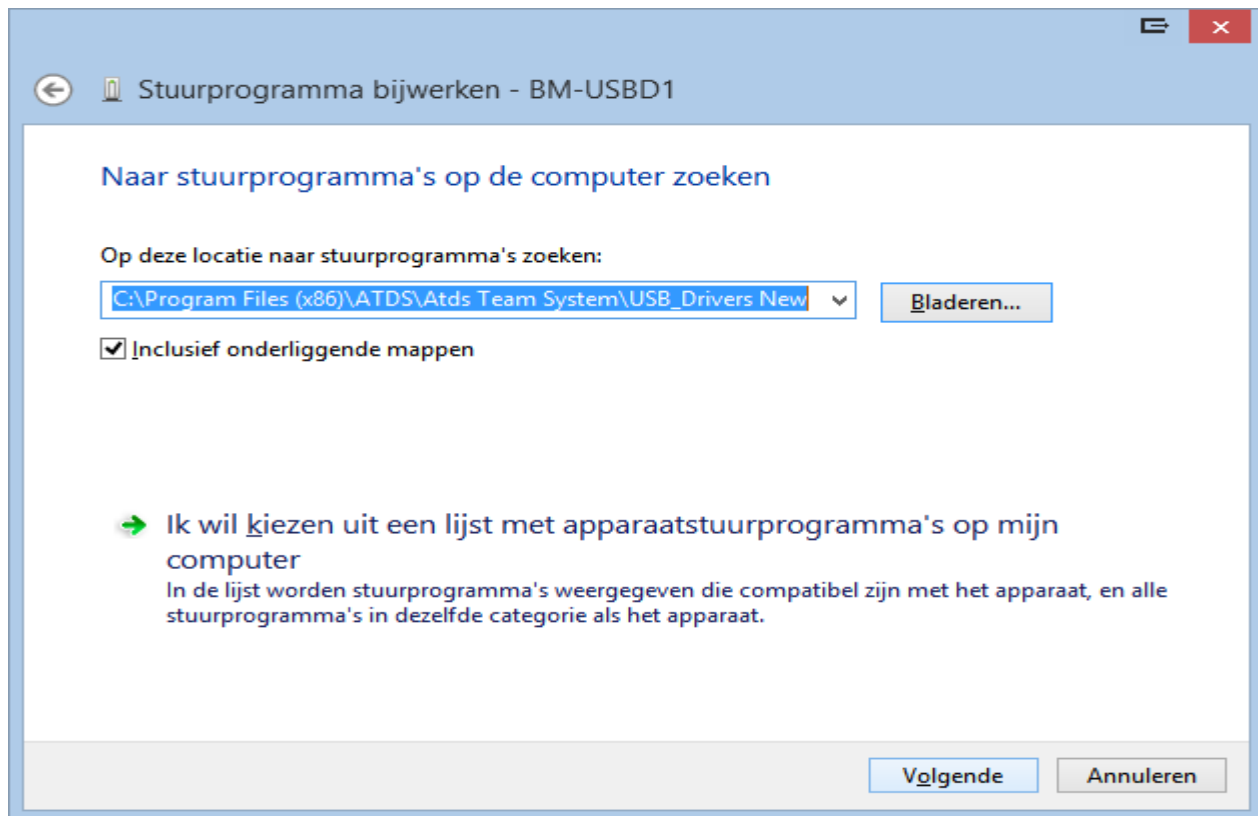

Klik nu op “Stuurprograma bijwerken..”

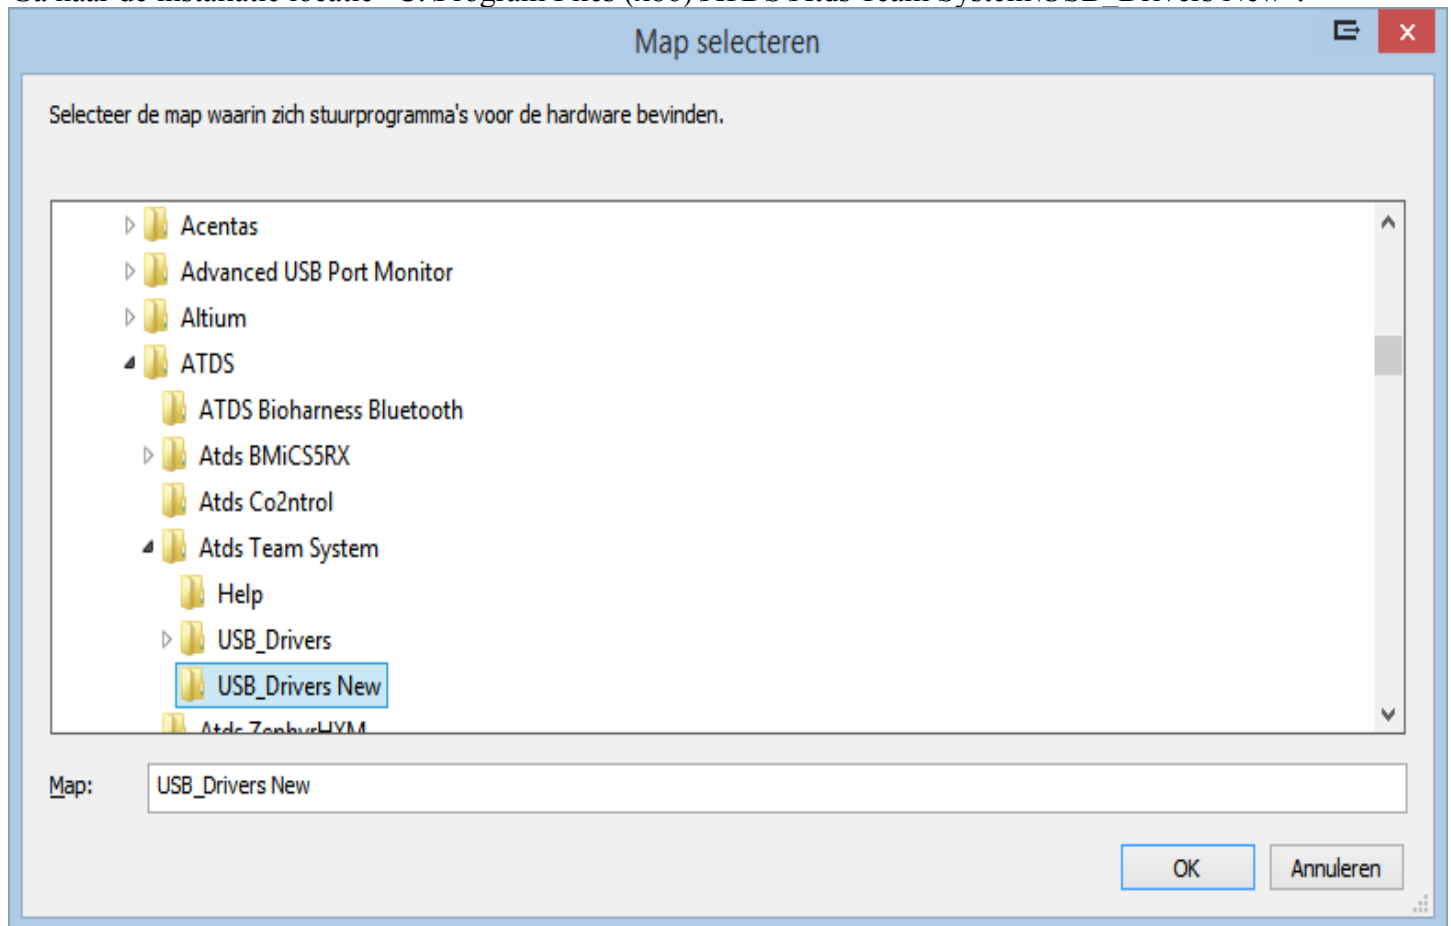

Klik nu op “Op mijn computer naar stuurprogramma's zoeken”.

Klik nu op “Bladeren...”.

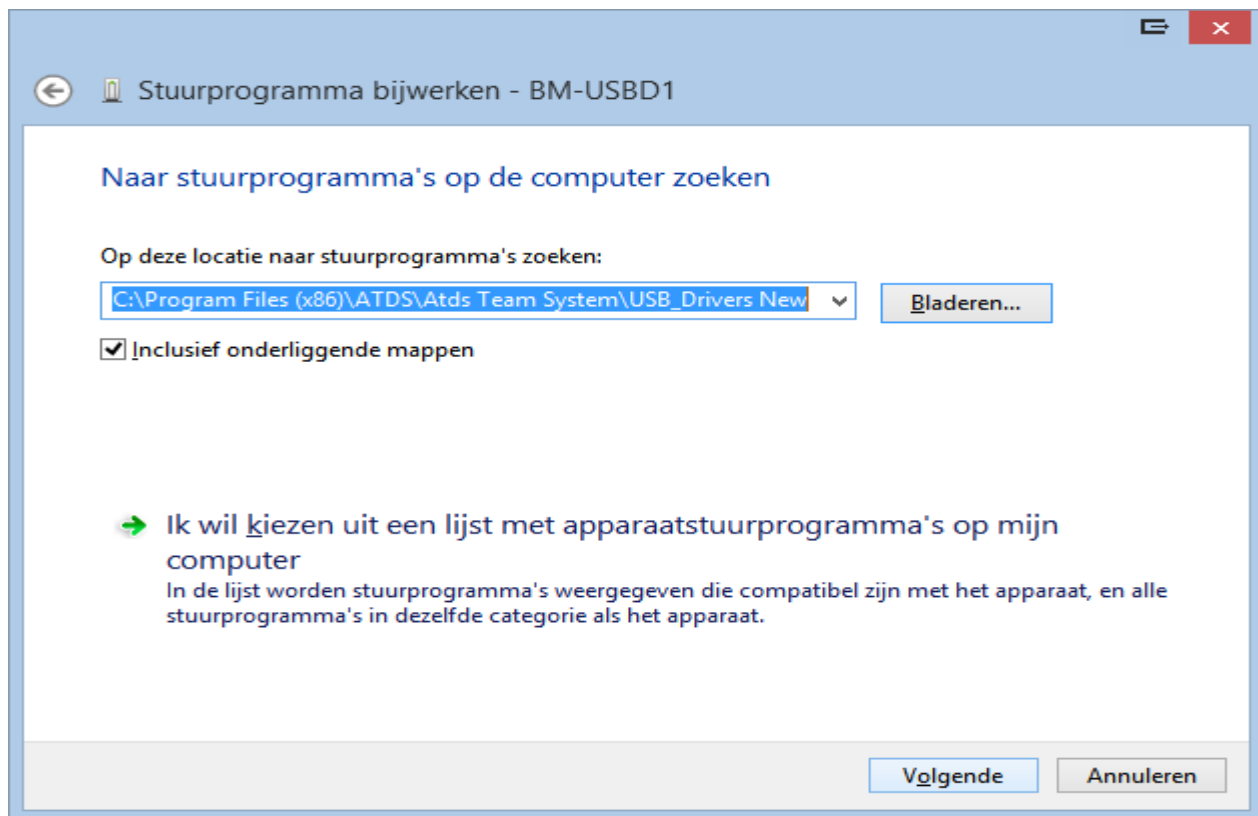

Ga naar de installatie locatie “C:\Program Files (x86)\ATDS\Atds Team System\USB_Drivers New”.

Klik nu op “OK”.

Klik nu recht onder op “volgende”.

Het installeren van het stuurprograma is nu gelukt.
